INAUGURATION OF THE TRAINING CENTRE FOR BORDER FORCES IN DUSHANBE 20 May 2009

On May 20, 2009 International Organization for Migration in Tajikistan (IOM) opens a Training Centre for Border Forces, established within its “Training Centre for Border Forces in Tajikistan” project funded by the Norwegian Government. This Training Centre (TC) is targeted to be a main specialized training center and will enroll Border Guards from different parts of Tajikistan. Training Centre in Dushanbe will also be responsible for Khorog Training Centre for Border Guards that was recently established by IOM in Khorog, Badakhshan region and which is the extension of the main Training Centre. The newly established Training Centre is located in

the territory of the Military Unit #2620 of the Department for Border Forces of the State Committee for National Security of RT. (DBF SCNS)

Dushanbe Training Centre for Border Forces consists of classrooms, administrative rooms, casern premises and canteen for about ninety (90) persons. According to project frame, IOM has provided the new TC with:

- all necessary furniture;
- office and training equipments;
- training materials (modules, manuals/aids for border guards);
- Five (5) complete training support packages of Border Control, Migration Legislation, Political Geography, Computer, English and Dari studies.
