- Organizer:** *International Organization for Migration*

Within the frames of the Central Asian Partnership Group project, funded by the Danish Government, Mission of the International Organization for Migration announces about holding the International Forum of non-governmental organizations from Central Asian countries and Russia devoted to the problems of preventing illegal migration, protecting labour migrants' rights and combating human trafficking.

Basic aim behind holding the International Forum is to strengthen cooperation, establish international contacts and create new regional and international networks of NGOs in the realm of preventing illegal migration from the Central Asian countries and negative consequences caused by illegal migration in destination countries.

Representatives of non-governmental organizations and NGO networks from Tajikistan, Uzbekistan, Kazakhstan, Kyrgyzstan and the Russian Federation involved in the sphere of labour migration, human rights and human trafficking counteraction are invited for participation in the International Forum.
